

CITY OF LANESBORO ORDINANCE NO. 12-2-97

AN ORDINANCE RELATING TO THE SALE, POSSESSION, AND USE OF TOBACCO PRODUCTS, AND TOBACCO RELATED DEVICES IN THE CITY, AND TO REDUCE THE ILLEGAL SALE, POSSESSION, AND USE OF SUCH ITEMS TO AND BY MINORS.

An ordinance relating to the sale, possession, and use of tobacco products, and tobacco related devices in the City of Lanesboro and to reduce the illegal sale, possession, and use of such items to and by minors.

The City Council of the City of Lanesboro, hereinafter referred as the "City", Ordains:

Section 100. Purpose. Because the City recognizes that many persons under the age of 18 years purchase or otherwise obtain, possess, and use tobacco, tobacco products, and tobacco related devices, and such sales, possession, and use are violations of both State and Federal laws; and because studies, which the City hereby accepts and adopts, have shown that most smokers begin smoking before they have reached the age of 18 years and that those persons who reach the age of 18 years without having started smoking are significantly less likely to begin smoking; and because smoking has been shown to be the cause of several serious health problems which subsequently place a financial burden on all levels of government; this ordinance shall be intended to regulate the sale, possession, and use of tobacco, tobacco products, and tobacco related devices for the purpose of enforcing and furthering existing laws, to protect minors against the serious effects associated with the illegal use of tobacco, tobacco products, and tobacco related devices, and to further the official public policy of the State of Minnesota in regard to preventing young people from starting to smoke as stated in Minn. Stat. §144.391.

Subd. 9 Moveable Place of Business. "Moveable Place of Business" shall refer to any form of business operated out of a truck, van, automobile, or other type of vehicle or transportable shelter and not a fixed address store front or other permanent type of structure authorized for sales transactions.

Subd. 10 Sale. A "sale" shall mean any transfer of goods for money, trade, barter, or other consideration.

Subd. 11 Compliance Checks. "Compliance Checks" shall mean the system the City uses to investigate and ensure that those authorized to sell tobacco, tobacco products, and tobacco related devices are following and complying with the requirements of this ordinance.

Compliance checks shall involve the use of minors as authorized by this ordinance. Compliance checks shall also mean the use of minors who attempt to purchase tobacco, tobacco products, or tobacco related devices for educational, research and training purposes as authorized by State and Federal laws. Compliance checks may also be conducted by other units of government for the purpose of enforcing appropriate Federal, State, or local laws and regulations relating to tobacco, tobacco products, and tobacco related devices.

Section 300 License. No person shall sell or offer to sell any tobacco, tobacco products, or tobacco-related device without first having obtained a license to do so from the City.

Subd. 1 Application. An application for a license to sell tobacco, tobacco products, or tobacco related devices shall be made on a form provided by the City. The application shall contain the full name of the applicant, the applicant's residential and business addresses and telephone numbers, the name of the business for which the license is sought, and any additional information the City deems necessary. Upon receipt of a completed application, the City Clerk shall forward the application to the City of Lanesboro for action at its next regularly scheduled Council meeting. If the Clerk shall determine that an application is incomplete, he or she shall return the application to the applicant with notice of the information necessary to make the application complete.

Subd. 2 Action. The Council may either approve or deny the license, or it may delay action for such reasonable period of time as necessary to complete any investigation of the application or the applicant it deems necessary. If the Council shall approve the license, the Clerk shall issue the license to the applicant. If the Council denies the license, notice of the denial shall be given to the applicant along with notice of the applicant's right to appeal the Council's decision.

Subd. 3 Term. All licenses issued under this ordinance shall be valid for one calendar year from the date of issue.

Subd. 4 Revocation or Suspension. Any license issued under this ordinance may be revoked or suspended as provided in the Violations and Penalties section of this ordinance.

Subd. 8 Renewals. The renewal of a license issued under this section shall be handled in the same manner as the original application. The request for a renewal shall be made at least thirty days but no more than sixty days before the expiration of the current license. The issuance of a license issued under this ordinance shall be considered a privilege and not an absolute right of the applicant and shall not entitle the holder to an automatic renewal of the license.

Section 400. Fees. No license shall be issued under this ordinance until the appropriate license fee shall be paid in full. The fee for a license under this ordinance shall be no less than \$60.00 and the fee for such license shall be set on a year-to-year basis by Resolution of the City of Lanesboro. The license fees may be prorated on a monthly basis for licenses issued during the license year. However, no refunds shall be issued should the licenses no longer carry on said licensed activity.

Section 500. Basis for Denial of License. Except as may otherwise be provided by law, the existence of any particular ground for denial does not mean that the City must deny the license. If a license is mistakenly issued or renewed to a person, it shall be revoked upon the discovery that the person was ineligible for the license under this Section. The following shall be grounds for denying the issuance or renewal of a license under this ordinance

- A. The applicant is under the age of 18 years.
- B. The applicant has been convicted within the past five years of any violation of a Federal, State, or local law, ordinance provision, or other regulation relating to tobacco or tobacco products, or tobacco related devices.
- C. The applicant has had a license to sell tobacco, tobacco products, or tobacco related devices revoked within the preceding twelve months of the date of application.
- D. The applicant fails to provide any information required on the application, or provides false or misleading information.

- A. To any person under the age of eighteen (18) years.
- B. By means of any type of vending machine, except as may otherwise be provided in this ordinance.
- C. By means of self-service methods whereby the customer does not need to make a verbal

or written request to an employee of the licensed premise in order to receive the tobacco, tobacco product, or tobacco-related device and whereby there is not a physical exchange of the tobacco, tobacco product, or tobacco-related device between the licensee or the licensee's employee, and the customer, other than for cartons or multi-pack units as allowed by Section 800 herein.

D. By means of loosies as defined in Section 200 of this ordinance.

E. Containing opium, morphine, jimson weed, bella donna, strychnos cocaine, marijuana, or other deleterious, hallucinogenic, toxic, or controlled substances except nicotine and other substances found naturally in tobacco or added as part of an otherwise lawful manufacturing process.

F. By any other means, to any other person, or in any other manner or form prohibited by Federal, State, or other local law, ordinance provision, or other regulation.

Section 700 Vending Machines. It shall be unlawful for any person licensed under this ordinance to allow the sale of tobacco, tobacco products, or tobacco related devices by the means of a vending machine.

Section 800. Self-Service Sales. It shall be unlawful for a licensee under this ordinance to allow the sale of tobacco, tobacco products, or tobacco related devices by any means whereby the customer may have access to such items without having to request the item from the licensee or the licensee's employee and whereby there is not a physical exchange of the tobacco, tobacco product, or the tobacco-related device between the licensee or his or her clerk and the customer. All tobacco, tobacco products, and tobacco related devices shall either be stored behind a counter or other area not freely accessible to customers, or in a case or other storage unit not left open and accessible to the general public. Any retailer selling tobacco, tobacco products, or tobacco related devices at the time this ordinance is adopted shall comply with this Section within 60 days following the effective date of this ordinance. However, cartons and multi-pack units may be offered and sold through open displays accessible to the public until the effective date and implementation of Code of Federal Regulations, Title 21, Part 897.16(c), which are incorporated herein.

Section 900. Responsibility. All licensees under this ordinance shall be responsible for the actions of their employees in regard to the sale of tobacco, tobacco products, or tobacco related devices on the licensed premises, and the sale of such an item by an employee shall be considered a sale by the license holder. Nothing in this section shall be construed as prohibiting the City from also subjecting the clerk to whatever penalties are appropriate under this ordinance, State or Federal law, or other applicable law or regulation.

Section 1000. Compliance Checks and Inspections. All licensed premises shall be open to inspection by the City or city police or other authorized City official during regular business hours. From time to time, but at least once per year, the City shall conduct compliance checks by engaging,

with the written consent of their parents or guardians, minors over the age of fifteen (15) years but less than eighteen (18) years, to enter the licensed premise to attempt to purchase tobacco, tobacco products, or tobacco related devices. Minors used for the purpose of compliance checks shall be supervised by City designated law enforcement officers or other designated City personnel. Minors used for compliance checks shall not be guilty of unlawful possession of tobacco, tobacco products, or tobacco related devices when such items are obtained as a part of the compliance check. No minor used in compliance checks shall attempt to use a false identification misrepresenting, the minor's age, and all minors lawfully engaged in a compliance check shall answer all questions about the minor's age asked by the licensee or his or her employee and shall produce any identification, if any exists, for which he or she is asked. Nothing in this Section shall prohibit compliance checks authorized by State or Federal laws for educational, research, or training purposes, or required for the enforcement of a particular State or Federal law.

Section 1100. Other Illegal Acts. Unless otherwise provided, the following acts shall be a violation of this ordinance:

Subd. 1 Illegal Sales. It shall be a violation of this ordinance for any person to sell or otherwise provide any tobacco, tobacco product, or tobacco-related device to any minor;

Subd. 2 Illegal Possession. It shall be a violation of this ordinance for any minor to have in his or her possession any tobacco, tobacco product, or tobacco-related device. It shall further be a violation for any person to coerce or attempt to coerce a minor to illegally purchase or otherwise obtain or use any tobacco, tobacco product, or tobacco-related device. This subdivision shall not apply to minors lawfully involved in a compliance check.

Subd. 5 Use of False Information. It shall be a violation of this ordinance for any minor to attempt to disguise his or her true age by the use of a false form of identification, whether the identification is that of another person or one on which the age of the person has been modified or tampered with to represent an age older than the actual age of the person.

Likewise, if the hearing officer finds that no violation occurred or finds grounds for not imposing any penalty, such findings shall be recorded and a copy provided to the acquitted accused violator.

Subd. 5 Appeals. Appeals of any decision made by the hearing officer shall be filed in the district court for the City in which the alleged violation occurred.
